

KIUT DIGITAL CLUB

Executive Committee — Open Positions

Join. Lead. Innovate. Build the Future of Tech.

We are looking for passionate, driven, and innovative students to join the KIUT Digital Club Executive Committee. These leadership positions offer you the opportunity to shape the future of technology on campus, build real-world skills, and grow your professional network. Read through the available roles below and apply today!

1. Chairperson

Overall Leadership & Strategic Direction

- Lead and oversee all club activities and official events
- Represent the club before the university, sponsors, and external organizations
- Ensure the club achieves its vision and objectives
- Supervise all executive members and make final decisions after consultation
- Build partnerships with companies and other organizations

2. Vice Chairperson

Supports Leadership & Oversees Operations

- Support the Chairperson in managing all club operations
- Coordinate committees and monitor progress of ongoing activities
- Take over leadership responsibilities when the Chairperson is unavailable
- Help resolve internal issues and ensure executive members fulfil their roles

3. Secretary

Administration, Records & Documentation

- Record minutes during meetings and prepare meeting agendas
- Keep and archive club records, documentation, and official correspondence
- Maintain the membership register and attendance records
- Send meeting notices and announcements to members

4. Deputy Secretary

Supports Administration & Record Keeping

- Take meeting minutes when the Secretary is absent
- Help organize documents, records, and communication scheduling
- Maintain attendance records and support administrative tasks during events

5. Project Managers (3 Officers)

Lead Technical Projects & Innovation

- Propose innovative projects across Web Dev, Mobile, AI, Cybersecurity, or IoT
- Form and manage project teams; assign and monitor tasks and deadlines
- Present project updates to the executive committee
- Organize hackathons, coding challenges, and encourage portfolio building

6. Communication & Branding Officers

Marketing, Publicity & Brand Identity

- Manage social media accounts and engage with members online
- Design posters, promotional materials, and digital content
- Publicize club events and maintain the club website
- Handle photography and videography; build the club's brand identity

7. Treasurer

Financial Management & Accountability

- Prepare budgets and keep accurate financial records
- Collect membership fees and manage club funds responsibly
- Prepare financial reports and ensure transparency and accountability
- Process approved expenditures and assist in fundraising initiatives

8. Coordination Officers

Internal Coordination & Member Engagement

- Coordinate communication between executive members and committees
- Monitor committee activities and ensure tasks are completed on schedule
- Assist members with inquiries and help onboard new members
- Coordinate volunteers during events and support inter-departmental collaboration

9. Event Planning Officers

Organize Workshops, Competitions & Club Events

- Organize workshops, seminars, conferences, and hackathons
- Arrange guest speaker sessions and coordinate event volunteers
- Book venues, manage logistics, and prepare event schedules
- Evaluate event success and prepare post-event reports
